Reminder - Traffic shift to construction Phase 1A is scheduled Monday, August 16th, weather permitting. The transition to the new traffic pattern is expected to start at 8 p.m. and will take several days to implement. Crews are expected to work continuously, day and night until the traffic shift is complete.

During the night of the traffic switch, expect stop and go traffic, changing lane conditions to new traffic patterns and restricted movements. Motorists are urged to find alternate routes, if possible. Expect noise from grinding asphalt, hammer drills, vibration from construction equipment, backup alarms and lighting. Police officers and roadway flaggers will be onsite to direct motorists onto the new traffic patterns.

Traffic will be diverted to the newly constructed pavement, new traffic signals, pavement markings and barrier walls will be in place. There will no through movement at the intersection. New traffic pattern movements detailed below:

- Traveling east from barrier islands towards US 41 north (Eastbound to Northbound), travel east on SR 789, follow new traffic pattern along the curve to turn left at the intersection onto US 41 north.
- Traveling east from barrier islands towards US 41 south (Eastbound to Southbound), travel east on SR 789, follow new traffic pattern along the curve to turn right at the intersection onto US 41 south.
- Traveling east from barrier islands towards Downtown (Eastbound through), travel east on SR 789, follow new traffic pattern along the curve to go straight through the intersection.
- Traveling south on US 41 towards barrier islands (Southbound to Westbound), travel south on US 41, follow new traffic pattern, turn right at the intersection onto SR 789 west.
- Traveling north on US 41 towards barrier islands (Northbound to Westbound), travel north on US 41, follow new traffic pattern along the curve to go left at the intersection onto SR 789 west.
- Traveling north on US 41 towards Downtown (Northbound to Eastbound), use Main Street detour. Travel north on US 41, turn right on Main Street, continue towards downtown.
- Traveling north on US 41 (Northbound through), no through movement at the intersection of US 41 at Gulfstream Avenue. Follow detour via US 301 north.
