2023-2024 City Neighborhood Grant Proposal:

Application for Grant was explained in detail by Treasurer Rob Grant and Allowed for questions. After presentation we had lengthy discussion on how to best apply for the grant and spend the money. We had full consensus that the mailer has been effective in attracting new members to our meetings. Everyone agreed that the sign on south end Shade Ave is welcoming to our neighborhood, and we should invest in a sign on the north end of Shade Ave. Yes, Yes Yes to another Free concert in the park! A vote was taken to approve the Grant as described. Grant was approved by APNA members.

The evening's First Annual Trivia Night planned for this evening was rescheduled for Fall, 2023, most likely our Oct meeting.

Meeting Officially Adjourned by Flo Entler at 7pm

Respectfully submitted: Barbara Justiz, Secretary
